About It Starts At Home

It Starts at Home is an organization of caring community members with varying backgrounds and beliefs working toward a common cause through unity. Their goal is to foster change and a helping hand at home. Together they coordinate events within communities local to Thompson designed to help others by bringing people together. The primary focus is betterment of our community's children. ISAH has facilitated a Coat Drive and Christmas Wishlist events in the past. 100% of all funds raised is given back to the community and children. They are truly VOLUNTEERS that do not collect a salary. Their reward is ensuring children without the means to participate in certain programs and activities are not singled out. Programs include sponsoring children for academics such as tutoring, field trips, athletics, and providing incentives to help drive student attendance and participation.

If anyone would like to contribute further to ISAH we will have a donation bin at the event. Appropriate donations could be school supplies like markers, pencils, pens, highlighters, notebooks, or gift cards for places where shoes, backpacks and winter coats might be available.
